## P5. Reflection on Driving Compliance

Candidate Name:

**Activity:** Operating an emergency vehicle requires understating of relevant laws and procedures. Identify four actions that would normally be unlawful for drivers to take and explain the legal, procedural and policy allowances that permit you to carry out such actions whilst driving to an emergency.

Actions	Legal Considerations	Agency SOP and/or Policy Considerations
Driving 70kpm in a 50kpm zone.	Emergency service vehicle may exceed the gazetted speed limit whilst carrying out urgent duties (s. 47, Land Transport Rule 2002).	SOP DRV-002 May exceed speed limit following dynamic risk assessment up to, but not exceeding 30 kmph when responding to an emergency.

## P5. Reflection on Driving Compliance

### *Continued*

**Activity:** Describe your agency's vehicle fault procedure.

**Activity:** Describe your agency's incident reporting procedure in the event of a vehicle collision where you are the driver, including any insurance requirements.

*Attach page if additional space required.*

**CANDIDATE:** I confirm that the above is my own work.
